

The Reh-Fit Centre is a not-for-profit organization with a mission to enhance the health and well-being of its members and the community by providing innovative health and fitness services through assessment, education, and exercise in a supportive environment.

NURSE

The Reh-Fit Centre currently has openings for **part-time** positions for modified evening shifts weekdays and occasional weekends. We are looking for individuals who exhibit the core values behind our mission (integrity, professional, evidence, caring, and innovation).

Reporting to the Director of Health and Fitness, the successful candidates are individuals who want to make a difference in building the health of our community. They will be responsible for assisting clients to achieve their desired health and fitness outcomes by conducting health assessments, interpreting results, determining risk stratification, recommending programs, developing and delivering programs, and providing guidance to staff. These individuals will respond to Centre emergencies and provide emergency follow-up. These individuals will collaborate with the inter-professional team to deliver the highest quality programs and services and make the best clinical decisions regarding the clients' health and well-being.

The ideal candidates will have a Bachelor Degree in Nursing with an active College of Registered Nurses of Manitoba registration. Certification in CPR Level C is required. Completion of CPR instructor certification and relevant fitness and health research courses would be an asset. The ideal candidates will also have the following experience and attributes:

- ❖ Minimum of two years' experience working in a similar capacity.
- ❖ Previous applied exercise physiology, chronic disease management, and health promotion experience.
- ❖ Strong interpersonal skills and demonstrated experience working in an inter-professional work environment.
- ❖ Strong analytical skills and problem solving skills.
- ❖ Strong communication and interpersonal skills.
- ❖ Strong presentation, facilitation, and instruction skills.
- ❖ Computer proficiency in Microsoft Office applications, internet database systems, and electronic medical records.

The Reh-Fit Centre is a state of the art fitness facility located in Southwest Winnipeg and offers an attractive working atmosphere and environment. In addition to salary and benefits package, compensation includes parking and access to the fitness facilities.

Resume, including salary expectation with availability, will be accepted until positions are filled.

Director of Health and Fitness, Reh-Fit Centre
1390 Taylor Avenue
Winnipeg, MB R3M 3V8
